

International Journal of Evidence Based Coaching and Mentoring CALL FOR PAPERS

The International Journal of Evidence Based Coaching and Mentoring invites contributions of article and papers covering all aspects of coaching and mentoring.

The IJECM is an Open Access international refereed journal, which is published bi-annually (during August and February). Its audience is academic specialists, postgraduate students, practitioners and managers who wish to keep abreast of scholarship, theory-building and empirical research in the field of coaching and mentoring. The *journal* is currently abstracted/indexed in DOAJ, EBSCO and PsycINFO.

The aim of the journal is to offer an accessible yet powerful discussion platform for the growing number of coaching and mentoring practitioners seeking to validate their practice and to provide evidence-based, well-researched resources for students, professionals, corporate clients, managers and academic specialists who need to be at the forefront of developments in the field.
